

NOTE TO NEW MEMBERS:

COLLECTION BY DIRECT DEBIT

Annual Membership of the Grange Club is for **12 months**, either from **1st May-30th April** or **1st October-30th September** in a given year. The date of joining determines which “intake” a member falls within.

Membership subscription payments by direct debit are currently being collected from **1st September 2008 (ie monthly in advance)**.

Please note that **ALL** sums and payments to be collected from **1st September** will be included in the **FIRST** Direct Debit collection made.

Example 1

A wishes to join to play one sport and submits an application in August 2008. The first payment collection of the September “intake” is 1st September 2008. Accordingly, A will have £26.25 (the monthly rate for 1 sport) taken from his/her account on 1st April and on the first of the month for a further 11 months.

Example 2

B wishes to play one sport and submits a new member application form in October 2008. For administration reasons, the first payment collection would be 1st November 2008. Payment of the annual one-sport subscription by direct debit is 12 monthly payments @ £26.25. Subscriptions are collected from 1st September so the payment taken on 1st November will be £78.75 (September, October & November @ £26.25), followed by 9 monthly payments @ £26.25

Example 3

C also wishes to play one sport and applies to join in December 2008. For administration reasons, the first Direct Debit payment collection will be 1st January 2009. Payment is collected from September 1st so the first payment taken will be 5 months @ £26.25 = £131.25 followed by a further 7 monthly payments of £26.25 until 1st August 2009

Example 4

D applies to join one sport in March 2009. The first payment collection will be 1st September 2009 (the start of the “winter season”) and will be taken in 12 monthly instalments at the agreed monthly rate (set by August 09)

NB: Members who pay by Direct Debit MUST pay the FULL annual subscription appropriate to their membership category. All resignations must be addressed in writing to the Membership Secretary.
